

Having a Biblical Worldview

Every thinking person who's ever lived has asked the questions: Where did I come from? What's my purpose? Why is the world so messed up? And is there any hope? The way you answer those questions is your worldview. A worldview is simply the way you understand the world works.

Btw Our worldview determines our behavior, and what we deem acceptable as good and true.

A Biblical world view answers four questions

1. Where did I come from?

I am created by God Gen 1:27

- He alone has the power to give life
- As a result all life matters to Him

2. What is my purpose?

I was created with and for a purpose

- Eph. 2:10

3. Why is the world so messed up?

Sin came into the world because of disobedience and stained the blood stream for all humanity. Romans 3:23

4. Is there any hope?

Our Hope is in Jesus Christ Romans 5:1-2
