

THE CHURCH

10-18-17

Why do you think God left the proclaiming of the Gospel to His followers?

What are the most common excuses for not sharing; what does that say about us?

Go back to 1 Peter 2:9 and discuss what makes this passage so important? What about 2 Cor. 5:20?

Why is being a “Disciple” so important to Jesus?

What is the requirement for being a disciple? What will that mean for you personally?

Highland’s Church has a culture of discipleship; how do you fit into that culture?

The last 4 points made about discipleship were:

- Discipleship is Intentional. Is this true of you? Why or why not?
- Discipleship is local church-based. What should this mean for us?

- Not everyone who calls themselves Christians actually follows Christ.
- How is this true in a church? How does someone change?

What does it mean to say “YES” to the Lord?
